

Sample data sheet

Locality (orchard): _____ Locality (lat/long): _____

Time of day: _____ Temperature*: _____

Observer: _____

Bloom conditions (circle one): early [≤ 2 flrs/cluster], peak [5 flrs/cluster], past [petal fall]

Observational period: _____ mins

No. honey bees:

No. native bees:

Notes:

* can be based on the thermometer in the car or a free smartphone app.
